REQUEST FOR CORRECTED NOTICE OF ALLOWABILITY

Sir:

Applicants request that a corrected Notice of Allowability be issued with respect to the above-identified application. The Notice of Allowability mailed on September 21, 2010 identifies the allowed claims as 21-24, 27-39 and 42-52. However, applicants

note that claim 53, which depends from allowed claim 51, remains in the application and is not intended to be canceled.

Applicants believe the error in the Notice of Allowability is merely a typographical error, and request that the corrected Notice of Allowability be issued identifying the allowed claims as 21-24, 27-39 and 42-53.

If for some reason an Amendment under Rule 1.312 adding claim 53 is necessary at this stage of prosecution, applicants respectfully request that this be considered the same.

If there are any questions, the Examiner is invited to contact the undersigned at the telephone number provided below.

Should a petition for an extension of time be necessary for the timely reply to the outstanding Office Action (or if such a petition has been made and an additional extension is necessary), petition is hereby made and the Commissioner is authorized to charge any fees (including additional claim fees) to Deposit Account No. 18-0988.

Respectfully submitted,

RENNER, OTTO, BOISSELLE & SKLAR, LLP
